## FOOTPRINTS SUMMER DAY CAMP 2024

July 2 - August 23, 2024

Leaders in Training Program

# FOOTPRINTS SUMMER DAY CAMP 2024

## Leaders In Training Experience

Join us and be challenged during the summer of 2024 as you continue to grow physically, emotionally, socially and spiritually. Challenge your skills and continue to develop those needed to help you be best equipped for future camp ministry.

As a student of the LIT program you will spend the day working alongside one of the Counselors. You will assist with the day to day activities including creative and recreation time, assisting with the supervision of the campers at the camp site and off on field trips. There will also be regular LIT time designated for discussions around leadership. A great opportunity to step out of your comfort zone, tackle new challenges, make incredible friends and service camp in an awesome way.

## Application for Program

All applicants must be 14 years or older (or going into grade nine is acceptable).

Must be able to commit to at least one complete session. Others will be considered but not given priority.

A charge of \$125 per session is required with your registration.

Space is limited so don't delay in securing your spot.

A confirmation will be sent to you once we have received your registration letting you know if there is space available in your chosen session(s).
